MOHAMED WASSIM ABOUDA

BUSINESS ANALYST | DIGITAL SOLUTIONS

Doha, Qatar | +974 5070 6084 | med.wassim.abouda@gmail.com | LinkedIn | Portfolio

PROFESSIONAL SUMMARY

Business-focused Computer Engineer translating stakeholder needs into requirements, process workflows, user stories and clear acceptance criteria. Experienced bridging business teams, external developers and QA/UAT for multi-role digital applications.

CORE SKILLS

Requirements elicitation • BRD / functional specifications • Process / journey mapping • User stories • Use cases • Acceptance criteria • Gap analysis • Stakeholder workshops • Traceability • Jira • UAT • API and SQL literacy

PROFESSIONAL EXPERIENCE

Mergers United | Doha, Qatar — Jun 2024 – Jul 2026

IT Project Coordinator / Technical Supervisor

- Clarified multi-role marketplace requirements covering onboarding, listings, approvals, confidentiality and subscription-related workflows.
- Structured user stories and acceptance criteria; resolved clarifications with stakeholders and vendors and linked UAT feedback to functional expectations.

Satoricom Services | Doha, Qatar — Sep 2023 – Jun 2024

General Manager / Co-Founder

- Gathered client needs for web and internal systems, clarified workflow rules and documented changes for implementation and handover.
- Supported a corporate website and internal CRM, incorporating client feedback into functional checks, documentation and user handover.

Avenues Dental Center | Doha, Qatar — May 2023 – Sep 2023

Software Engineer

- Translated user-reported application problems into actionable technical changes and validated corrections.

Arsela Technologies | Sousse, Tunisia — Nov 2022 – May 2023

Frontend Software Engineer

- Implemented requirements-driven React/Next.js interfaces and checked API-driven user flows with delivery teams.
- Worked with development colleagues on UI fixes, form validation, API behavior and release-related testing.

SELECTED PROJECTS

Qatesty — end-to-end web application; authentication/API troubleshooting, testing and deployment. Live project

Prestige TN — end-to-end delivered fashion/e-commerce website. Live project
